Mixing, mastering, and accordion recording engineering by **Dave Schonauer** at Morningstar Studios, East Norriton, PA, June - July 2022.

Originally composed for bandoneon and string quartet (specifically, the Kronos Quartet), this electronic version is dedicated to my accordion teacher **Beverly Roberts Curnow**, who was the first person to show me the difference between playing the notes and making music.

Thanks to Astor Piazzolla for a constant stream of inspiration.

“Five Tango Sensations” is published by Tonos Music GmbH ©1989 and © 2008.

Package design by Nick Frese.
